## PROJECTS

---

**reddit-clone** – <http://mean.shahsyed.com/>

- A clone of the popular social news aggregation site, Reddit, using the MEAN stack

**chatserver** – <http://shahsyed.com/chatserver/>

- Multi-threaded chat server (and client) executable written in Java for intro to networking course

**space-invaders-project** – <http://shahsyed.com/space-invaders-clone/>

- Space Invaders videogame clone in Java made for an intro to software engineering course

**Joy Pad** – <http://www.joy-pad.com/>

- Developed a web comic application using the LAMP stack and WordPress

## EXTRA-CURRICULAR ACTIVITIES

---

**Computer Science Course Union at Ryerson University (CSCU)**

- VP Communications, acted as a liaison and representative between all students and CSCU members

**Ryerson Computer Programming Club at Ryerson University (CPC)**

- Learned and practiced algorithm-based programming problems based on time constraints

**Joy Pad**

- President and Co-founder of a web-based arts collective

## AWARDS & HONORS

---

**Ryerson University – Dennis Mock Student Leadership Award, April 2015**

**Ryerson University – Canada Study Grant, Ontario Access Grant, September 2014**

**Ryerson University – Ryerson Entrance Scholarship, July 2009**

**Bloor Collegiate Institute – Creative Communications Scholarship, October 2009**

**Bloor Collegiate Institute – Honor Roll Student, Grade 12, October 2009**

**Bloor Collegiate Institute – Computer Science Award, October 2008**
